Working with you for a better environment

Working with you for a better environment

At Brother, our green initiative is simple. We strive to take responsibility, act respectfully and try to make a positive difference to help build a society where sustainable development can be achieved. We call this approach Brother Earth.

- Based on one-sided printing. Change from default setting required.
- From ready mode and standard tray.
- PostScript[®]3™ compatible.
- Direct Print USB Front Host: PDF version 1.7, JPEG, EXIF+JPEG, PRN TIFF, XPS version 1.0.
- For the latest OS compatibility and to download drivers, visit support.brother.com. Printing via macOS requires the use of AirPrint. Mac drivers are not provided.
- May require free download. Compatibility may vary by device and operating system. May require connection to a wireless network.
- Requires an Internet connection and an account with desired service.
- Requires an Internet connection.
- Maximum capacity based on using 20 lb. paper.
- Half speed and straight paper output with more than 43 lb. paper.
- Windows only.
- Maximum number of printed pages per month can be used to compare designed durability between like Brother products. For maximum printer life, it is best to choose a printer with a duty cycle that far exceeds your print requirements.

- The recommended range of monthly printed pages to achieve the best possible performance and printer life. Printers are intended to handle occasional usage beyond this range with little or no effect. Consistently printing above the recommended print volume, however, may adversely affect the print quality or life of the machine. It is always best to choose a printer with an appropriate recommended print volume to allow for any anticipated increase in printing needs.
- Approximate toner cartridge yield in accordance with ISO/IEC 19798 (letter/A4).
- Approximately 20,000 pages based on 1 page per job and 30,000 pages based on 3 pages per job (letter/A4 single-sided pages). The number of pages may be affected due to a variety of factors including but not limited to media type and media size.
- Approximately 50,000 pages based on 2 pages per job and 60,000 pages based on 3 pages per job (letter/A4 single-sided pages). The number of pages may be affected due to a variety of factors including but not limited to media type and media size.
- Approximate yield is declared in accordance with ISO/IEC 19798 (A4/Letter single-sided pages). The number of pages may be affected due to a variety of factors including but not limited to media type and media size.
- Requires additional purchase.
